05/30/2013	Doc. 201	<p>MINUTE ORDER STAYING THE ENFORCEMENT OF 189 CASE MANAGEMENT ORDER NUMBER 35 (Requiring the Pre-Identification of Documents Intended for use as Exhibits During Depositions). The PSC has filed a motion for reconsideration of CMO 35 200 . In its motion for reconsideration, the PSC asks the Court to stay CMO 35 until the motion for reconsideration is resolved. The PSC's motion raises a number of matters that are concerning to the Court. If only a fraction of the allegations in the PSC's motion for reconsideration are true, the Court is troubled by the state of affairs which exist in this litigation. Accordingly, the request to temporarily stay CMO 35 is GRANTED. CMO 35 IS STAYED UNTIL FURTHER NOTICE BY THE COURT. Further, the defendants are DIRECTED to respond to the PSC's motion to reconsider by next Wednesday June 5, 2013, unless they can show good cause for additional time. Signed by Chief Judge David R. Herndon on 5/30/2013. (dsw)THIS TEXT ENTRY IS AN ORDER OF THE COURT. NO FURTHER DOCUMENTATION WILL BE MAILED. (Entered: 05/30/2013)</p>
